I herewith confirm with my signature that a sufficiently effective, licensed vaccine is not available for the above mentioned farm. I also assure that I am entitled to unrestricted disposal of the submitted material and that there are no third party rights. Upon delivery, ownership and all other rights existing thereunder pass to Vaxxinova GmbH free of charge. By submitting the materials or vaccine order I confirm that the materials originate from the specific livestock to be treated or are a related epidemiological unit. I am also aware that a return of material, in particular of carcasses and / or animal parts is not possible for hygiene reasons. Furthermore, I confirm that I accept the general terms and conditions of Vaxxinova GmbH for the production of autogenous vaccines, as listed under [www.vaxxinova.de](http://www.vaxxinova.de).
